

Isanti County Fair Garden Tractor Pulling Rules

GENERAL RULES

Rules apply to all classes unless otherwise specified.

- A. TRACK OFFICIALS DECISION WILL BE FINAL. ANY DISAGREEMENT ON THEIR DECISION ON ANY POINT CONTROVERSY WILL RESULT IN DISQUALIFICATION FOR THAT CLASS FOR THE DAY. Comment: The track officials have the final say on what happens on the track.
- B. YOUR TRACTOR MUST MEET ALL SAFETY AND SHIELDING REQUIREMENTS PRIOR TO HOOKING OTHERWISE YOU WILL NOT BE ALLOWED TO COMPETE AND THERE WILL BE NO REFUND OF ENTRY.
- C. Driver must put their tractor in a neutral position and be hand pushed to the sled.
- D. No portion of the tractor shall interfere with the sled hitch during pull.
- E. Any portion of tractor touching boundary line during pull will result in disqualification. This would be limited to rear and front tires. **MUST STOP AT FULL PULL.**
- F. Two attempts will be allowed to start sled except in pull-offs. One attempt only in a pull-off. Comment: An attempt is considered once the hook goes in the hitch and driver physically tries to start the tractor in motion by revving up the engine and attempting to release the clutch.
- G. If a puller has a mechanical problem they have to drop back 6 positions (five more pull then they hook). If there are less than five tractors remaining, they have until the end of the heat plus five (5) minutes. If they are not able to hook within the allotted time they will receive last place in that heat.
- H. Driver will be disqualified if they delay contest. A puller is expected to have their tractor running by the time the sled gets back to the starting point, If the puller delays more than 90 seconds they will have to drop.
- I. Pulling position will be determined at time of registration.
- J. Driver must remain seated during pull. Drivers must have at least one hand on the steering wheel at all times.
- K. Tractors must be operated in a safe manner at all times.
- L. All weights must be safely secured to the tractor. Any excessive or obvious loss of weights or components may be cause for disqualification. The flagman must make the call during the pull. Any disqualification for loss of weight or component must be made during the pull. A pull is started when the sled starts to move and is ended when the sled stops movement, even though the tractor may still be under power.
- M. Track officials have the right to restart the class anytime within the first seven (7), either for full pulls or short tracking.
- N. A person can only enter one time per class.
- O. YOUR TRACTOR MUST MEET ALL SAFETY AND SHIELDING REQUIREMENTS PRIOR TO HOOKING OTHERWISE YOU WILL NOT BE ALLOWED TO COMPETE AND THERE WILL BE NO REFUND OF ENTRY.
- P. All tractors must have a safety device to prevent turnovers. This device is to have wheels or skid plates. Wheels are to be at least 1" wide and 5" in diameter. Skid plates to have at least 3 square inches at ground contact point. Wheels or skid plates must be no less than 5" behind rear tires and not more than 5" above the ground. This device must be able to support the weight of the tractor.
- Q. Obvious or excessive consumption of alcoholic beverages or drugs will be ground for disqualification.
- R. All tractors to be equipped with workable brakes.
- S. Open two wheel drive, rubber tired tractors, no dual wheels, chains or spikes. TIRES MUST BE NO LARGER THAN 26X12X12.
